2:30pm Registration with Coffee & Tea on arrival

3:00PM Dr Debbie Smith will be talking about diabetes, associated cardiovascular risks and what's new in treatment of the condition. Debbie is a versatile and experienced insurance doctor in Life & Health insurance. Debbie decided a few years ago that her future was in medicine rather than underwriting and since 2012 has held various positions at Whipps Cross University Hospital and Barts Health NHS Trust, at the same time as working as a medical officer for Swiss Re.

4:00PM 'The Mystery of NET's & GIST's' Kieran Tarrant joined SCOR in September 2014 as a claims assessor. Kieran holds a law degree and has a special interest in Neurology having attended the University of Cardiff Neurology Campus. Kieran will be covering off the basics on (NET's) and (GIST's) and how they fit into CI products and will also be covering some assessment issues claims face.

5:00PM Drinks reception & canapés
